

COACHELLA VALLEY SALT & NUTRIENT MANAGEMENT PLAN (CV-SNMP) COMMUNITY WORKSHOP #3

July 1, 2026 | 10:00 – 11:30 AM

In Person: Coachella Valley Water District Board Room, 75515 Hovley Ln E, Palm Desert, CA 92211

Via Zoom: <http://bit.ly/4tKQd1B>

AGENDA

Join us to learn about progress on the preparation of the Coachella Valley Salt & Nutrient Management Plan (CV-SNMP). This session will focus on how we developed forecasting tools to predict future trends in salt and nutrient concentrations in the groundwater basin (Technical Memorandum #5). Come learn about our forecasting tools, see visual animations of the potential future of groundwater quality in the groundwater basin, and learn about the strategies we are exploring with the forecasting tools to protect the long-term use of groundwater in the Coachella Valley.

Time	TOPIC
9:45 am	Board Room + Zoom Meeting Room Open to Test Technology <i>* Participants joining via Zoom are encouraged to sign in early to test their connectivity, microphones, and camera</i>
10:00 am	Hellos! Goals + Agenda Review
10:10 am	Updates on Progress Made on the CV-SNMP <ul style="list-style-type: none">▪ Review of the why, what, how, and when of the CV-SNMP update effort▪ Review highlights about technical memorandums (TMs) #1 – 4▪ Review and discuss TM #5 Construct Nitrate / Total Dissolved Solids (N/TDS) Forecasting Tools and Evaluate the Baseline Scenario▪ Q&A
11:00 am	Moving Forward <ul style="list-style-type: none">▪ Preview the final three TMs and the strategies we are exploring with the TM #5 forecasting tools to protect the long-term use of groundwater in the Coachella Valley.<ul style="list-style-type: none">○ #6: Forecast TDS/N for SNMP Scenarios○ #7: Characterize and Compare Costs○ #8: Prepare CV-SNMP▪ Review timeline for project completion in 2027.▪ Review materials and resources available on the <i>cvsnmp.com</i> website▪ Describe ways to share comments (at any time!) and stay informed
11:15 am	Open Q&A, Comment and Discussion Session
11:30 am	Adjourn
